

**Coplay Borough Comprehensive Plan  
Lehigh County, Pennsylvania  
Public Meeting: October 7, 2009**

**Coplay Municipal Facilities Survey**

*(please circle 'YES', 'NO' or 'Undecided' for each listed item)*

**Development of General Supply Site:**

YES	NO	Undecided	Overall
			Trail head site for Ironton Rail Trail
			Another private sector business use to replace General Supply
			Coplay Borough Municipal Garage
			Coplay Borough Recycling Center
			Small Public Indoor Recreation Center (Basketball, Fitness, and Meeting Room facilities)

Additional Comments:

**Attitudes about current Borough Hall on Fourth Street:**

YES	NO	Undecided	Overall
			Move Borough functions to Cherry Street and/or General Supply and then sell the current Borough Hall.
			A costly rehabilitation project is worth the expense due to the building being a local historic resource that the Borough should not be without.
			The Borough should centralize its functions (administration, police, municipal garage, etc.) at one location to the greatest extent possible.
			Coplay is small enough that separating the Borough functions in different locations is not a problem.
			Offices would be positive reuse for the Borough Hall building.
			Housing would be a positive reuse for the Borough Hall. (This refers to market rate housing, not subsidized housing.)
